Experience

App Developer

Pattern Matched Technologies™

Jan 2019 - Present (4 years)

Core Team member of the design, development and marketing of the PMT™ Obsidian™ Service Connectivity Platform. Obsidian™ enables service exposure and management of API, IoT & Cellular endpoints through an end-to-end managed solution and delivers websites and apps to customers at no mobile data cost to them, even without an airtime or data balance.

- Development, design, and UX/UI of the User Portal
- Implementation of Banking-Grade security systems/functions
- Development of the product user guide online documentation
- Implementation of continuous automated testing

Core Team member for one of SA's most extensive Online Vehicle Marketplace internal buyer application

- Development, design, and UX/UI of the iOS Tablet app

Core Team member in the development of the mobile app for one of Africa's largest cross-border distributors

- Development, design, and UX/UI of the consumer mobile app on Android & iOS

Core Team project member of a Number Portability Lookup Web Platform for a major SA Bank

- Development, design, and UX/UI of the internal web application

After being with PMT for six months, I shifted my focus to a development-oriented role, though continuing as Team Lead of Public Relations and Project Owner of the Company Website.

Graphic Designer

Pattern Matched Technologies™

Jul 2018 - Dec 2018 (6 months)

Team Lead of Public Relations

- Coordinating all public relations activities
- Developing a marketing communications plan including strategy, goals and tactics
- Management of the Marketing Budget for the best possible ROI
- Create content for press releases, byline articles and keynote presentations

- Monitor, analyze and communicate PR results every quarter

Project Owner of the Company Website

- Managing and maintaining the cloud-based architecture
- Providing smooth communication between the stakeholders and the developers
- Editing, writing, or designing Website content and directing team members who produce content.

Graphic Designer

Digital Content Creations

Oct 2017 - Apr 2018 (7 months)

- Ensure good planning and ideation before designing.
- Execute design work as briefed in.
- Ensure all designs are inline with company and product CI.
- Ensure deadlines are met.
- Manage time efficiently.
- Positive team work and collaboration with fellow Marketing Designers.
- Help with corporate design of the company (Investors Presentations etc).
- Quality control of own design collateral.

Graphics Designer / Technical Support

Oct 2017 - Apr 2018 (7 months)

Creative Director

IT Genie

Jan 2017 - Aug 2017 (8 months)

Having a good work relationship with the founder of IT Genie, Paul Grobler, a mentor to me, I have gained a tremendous amount of knowledge and experience in the IT industry allowing me to transition smoothly into any work environment.

Handling technical troubleshooting within an enterprise environment, including system crashes, slow-downs and data recoveries. Engaging and tracking Priority 1 issues, with responsibility for the timely documentation, escalation (if appropriate), resolution and closure of trouble tickets.

General & Operations Managing Assistant
